# Editors

1984

A yearbook is meant to be a representation of one whole year of school — a record of the people and events that made up the memories of that year. As editor of the VALHALLA, my task was to make sure that nothing was left out and that all was recorded correctly. However, creating a yearbook is not as easy as it looks — in fact, it is not easy at all! In the process of creation, some names may have been misspelled, some pictures may have been left out, and the senior ambitions may have only been 40 words long, but this book still represents Sunnyslope High School 1983-84 and will continue to do so long after we are gone. The knowledge gained through my yearbook experiences this year is that which I could not have gained elsewhere under any circumstances. In resigning my post I take with me these priceless experiences and hopefully leave behind me, for next year's staff, the desire to do better than those who have come before. Behind this yearbook was a creative, dedicated staff; a special thanks to all who shared their creativity and dedicated their time — it really shows! Good luck class of 1984 and best wishes for the future.

*Mia McDonald*

When I was named co-editor of the '83-'84 VALHALLA I was both excited and scared. I was unaware of exactly what was ahead, but it proved to be an exciting, though sometimes difficult learning experience . . . with long days after school, typewriter cramp and early Saturdays spent working to meet our deadlines, most of which were made with the help of Dunkin' Donuts and delivered pizzas! Thank you Mrs. Morrow for your experience, knowledge, and support through the hard times. Mia, thank you for your strength as a leader, your continuing desire to break tradition and your friendship. Thanks to the staff who worked with me, (Bryan, Bill, Paige, Kim, Wendy, Laura, and Donna) for your patience and hard work. This has been a memorable part of my senior year, and it has been special to be involved in something that will be a part of people's memories in the future. And finally, thank you SHS and its students and faculty — for without you, these pages would be blank! Good Luck and I'll miss ya class of '84.

# In Appreciation

To the staff for dedicating their time to the yearbook when they had other things to do.

To Mrs. Morrow for supervising our efforts, correcting our mistakes, and sympathizing with our problems.

To the photo staff for burning the midnight oil in the darkroom.

To Mr. Bulkeley for smiling when the photo requests got a little ridiculous, and pushing the photo staff to do the impossible.

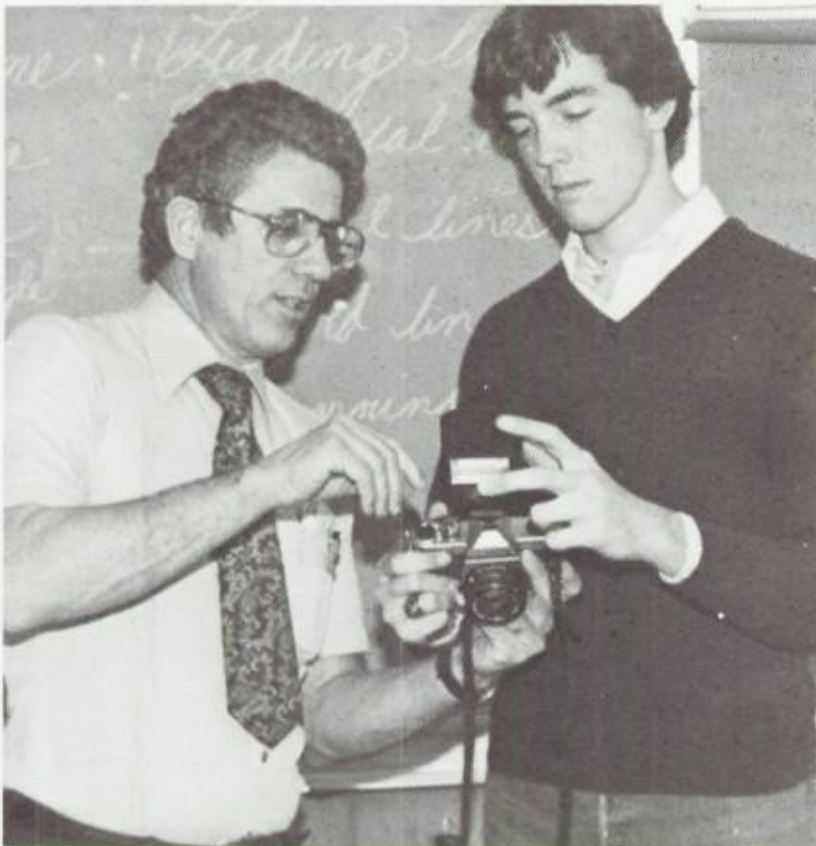

To our parents for allowing us to frequently miss dinner and eat pizza in the journalism room.

To Joan Boss for her infinite yearbook wisdom.

To Christine Norris for making the whole challenge of creating a yearbook a trying experience.

To the advertisers for supporting and funding the Valhalla.

To the students for purchasing the yearbooks and "being the stuff" of which yearbooks are made.

# DEDICATION
